**cargraphic** wheels are the absolute finest 3 piece wheels on the market. This 3 piece high quality product "Made in Germany" incorporates the strongest, lightest and most durable components such as: • Heat treated cast stars or, • Spun forged machined stars, • Handpolished stainless steel outer rims, • Reinforced inner rims, • Internal bead retainer for secure and perfect tire fit as prescribed by TÜV standards, • Stainless steel bolts. Race proven on the worlds most challenging race tracks the **cargraphic** RACING wheel is the world record holder on the Nürburgring Nordschleife. All wheels are TÜV approved with extreme high wheel loads, thereby insuring the highest quality and construction. The wheels are available in the following finishes: standard: silver center; custom: black center, SLC-chrome center, painted in any colour.

A **cargraphic** stainless steel center-cap is included or optional for a high tech finishing touch opt for a set of **cargraphic** center lock dummies.
